Dock Permit # _____

"Domestic and household use" shall mean water that is taken by the permittee in and upon his premises for all usual and ordinary household uses and purposes which shall include sprinkling and watering lawns and gardens under three (3) acres. If irrigating lands greater than three (3) acres, contact the legal department.

1. State the purpose for which the water is to be used, including number of acres: _____

2. Manner of taking or diversion: (Attach plans showing the location of pump and lines)
 Type of Pump _____ Capacity of pump gallons per minute _____
 All electrical work must be inspected by an Oklahoma Licensed Electrical Contractor. The electrical certification form must accompany this application. **No submersible pumps are allowed in the water.** No temporary electrical supply shall be used.

In order to be processed and approved, the following documents must be attached to this application:

- \$ \$100.00 Application Fee.** Please include check with application. If paying online at grda.com, please include a copy of the receipt. GRDA does not accept cash as a form of payment.

- \$50.00 Fee for First Year.** Please include check with application. If paying online at grda.com, please include a copy of the receipt. GRDA does not accept cash as a form of payment.

Electrical Certification Form

Applicant agrees that if he is granted a permit that he will abide by the Rules and Regulations Governing the Use of Shorelands and Waters of the Grand River Dam Authority and will pay the fees and charges. It is fully understood and agreed that this permit is granted for domestic and household use only, and the resale of water by applicant is specifically forbidden. This permit shall not be assigned or transferred without the written consent of the Grand River Dam Authority. Applicant agrees to update GRDA with all address changes and acknowledge that GRDA will serve all notices and invoices related to the permit to the last address on file and/or the email address given above, if any.
